

Bibliographischer Informationsdienst

Nr. 67, Juni 2022

Zum bibliographischen Programm der Kant-Studien gehört die Erfassung der laufenden Kant-Literatur in Jahresbibliographien. Um sie möglichst vollständig und genau zu erstellen, bedarf es eines Mindestabstandes von zwei Jahren zwischen Erscheinungsjahr und Bibliographie-Jahr.

Der bibliographische Informationsdienst, der von Nummer 7 an mindestens zweimal jährlich von der Mainzer Kant-Forschungsstelle und der Kant-Gesellschaft gemeinsam herausgegeben wird, will diesen sachbedingten Abstand durch eine Vorinformation über die gerade bekannt gewordenen Neuerscheinungen bis zum Erscheinen der vollständigen Jahresbibliographie überbrücken. Um möglichst umfassend und schnell zu informieren, werden auch Titel aufgeführt, die noch nicht durch Autopsie überprüft sind und daher fehlerhafte Daten enthalten können. Ihre verbesserte Fassung erhalten die Titel bei der Aufnahme in die laufende Jahresbibliographie der Kant-Studien.

Ein besonderer Gewinn wäre es für den Informationsdienst, wenn Autoren von Kant-Beiträgen die Titel ihrer Neupublikationen sofort nach Erscheinen mitteilen. Jetzt schon sei den zur Mitwirkung bereiten Kant-Autoren gedankt.

Der Bibliographische Informationsdienst ist über die Homepage der Kant-Forschungsstelle im Internet verfügbar:
